Product Description

FloorScrub-1 is medium-duty concrete cleaner / degreaser, which will biodegrade. Can be used on coated floor systems or bare concrete. Developed for the AfterMarket© of floor systems to be maintained as well as a medium duty cleaner/degreaser for concrete with excellent rinse ability.

Uses

FloorScrub-1 cleans concrete surfaces by lifting, and removing a wide range of oils, fats, grease and everyday debris. Can be used on a coated floor system without harm to the coating.

Use FloorScrub-1 to remove dirt, oil spills, grease, and other surface contaminants. Periodic cleaning of concrete floors is in keeping with good concrete maintenance practices. It is ideal for use in warehouses, industrial plants, food processing plants, schools, automotive plants, parking garages, plazas, and service stations - anywhere cleaning of concrete surfaces is required.
